POSITION: SUBSTANCE TREATMENT COUNSELOR

RESPONSIBLE TO: Substance Treatment Supervisor

SALARY: GS-9 \$41,763-\$54,303 Annual/Full Benefits
GS-10 \$46,590-\$59,795 Annual/Full Benefits
GS-11 Only for Employees with 10+ years of Service
Rendered with Klamath Tribes.

CLASSIFICATION: Non-Management, Regular, Full-Time

LOCATION: Klamath Tribal Health & Family Services
Youth & Family Guidance Center
Klamath Falls, Oregon 97601

BACKGROUND: P.L. 101-630 Level

POSITION OBJECTIVES

The Substance Treatment Counselor shall develop and maintain an outpatient substance treatment program for individuals who are affected directly or indirectly by substance use within the entire eligible Indian community (Klamath County). The Substance Treatment Counselor shall provide substance counseling services through treatment modalities such as crisis intervention, individual or group counseling and home visits to educate, prevent or improve psycho-social problems, particularly pertaining to substance use. The Substance Treatment Counselor shall develop, coordinate, and utilize appropriate community resources. The Substance Treatment Counselor shall develop and maintain effective working relationships with all Tribal programs, and community agencies. The Substance Treatment Counselor will maintain professional standards, ethics & follow Federal, Tribal, State, and program regulations.

MAJOR DUTIES AND RESPONSIBILITIES

1. Obtain personal information and medical history through consultation with clients, family members, referents and other professionals as appropriate to gain a clear picture of the client's status and extent of treatment needs.
2. Determine through the screening and assessment process if the client's needs match program target population. Coordinate with other agencies to expedite treatment for clients based on the assessed level of care and treatment needs.
3. Develop client centered treatment plans based on strengths and needs identified within the psychosocial assessment. Monitor and modify treatment plans with the client to promote progress through the stages of change.
4. Facilitate treatment sessions using identified Western and Tribal best practice treatment modalities.
5. Provide individual and group substance counseling sessions, which meet the American Society of Addiction Medicine (ASAM) level of care criteria.
6. Organize materials and equipment to facilitate individual and group treatment counseling sessions in various approved locations.
7. Maintain accurate and current records in accordance with Federal, Tribal/IHS, State and program guidelines.
8. Use sound clinical judgment, ethics and confidentiality guidelines when providing monthly status reports and communicating about client's treatment and progress.
9. Attend weekly case coordination meetings to staff client progress.
10. When deemed to be in the best interest of the client, participate in Drug Court proceedings.
11. Complete required billing encounters in accordance with program policy.
12. Meet with family members and/or significant others/partners to educate them on the most beneficial role they can play in the recovery process and refer to family therapy or appropriate services and supports.
13. Educate clients about community based organizations such as Alcoholics Anonymous, Narcotics Anonymous, White Bison/Talking Circle, as well as social services and employment services that may help restore the client to overall wellbeing and balance.

14. Collect urine samples as required in accordance with program policy and when deemed necessary.
15. Collaborate and consult with other treatment programs – IHS, community services, mental health programs, educational institutions, law enforcement, and other community organizations and individuals in promoting the prevention of substance use.
16. Attend community gatherings and meetings to promote awareness of Tribal services and programs.
17. Attend and participate in staff meetings and other meetings as directed.
18. Meet with Substance Treatment Supervisor as directed for individual supervision and group didactic instruction/training.
19. Upon verifying availability of other transportation resources, transport and supervise clients to treatment related appointments, treatment programs and community events.
20. Document any mandatory reports of suspected child, elderly, or disabled abuse/neglect; work with appropriate agencies as needed.
21. The incumbent will be called upon to accomplish other tasks within their scope of work.

SUPERVISORY CONTROLS

The Substance Treatment Counselor is under the administrative supervision of the Substance Treatment Substance Treatment Supervisor. Work is assigned in terms of functional/organizational objectives. The supervisor assists with unusual situations that do not have clear precedents

Employee works independently, resolves problems on the basis of past precedents; exercises judgment in interpreting guidelines and applicability; ensures deadlines are met. Employee plans and carries out various stages of a plan by selecting and using approved methods and techniques as appropriate. Most assignments are reviewed for quality and compliance with established policies and procedures.
