

POSITION: CONTRACTED MENTAL HEALTH THERAPIST
RESPONSIBLE TO: Clinical Supervisor
HOURLY CONTRACT RATE: Dependent on Licensing and Experience
CLASSIFICATION: Professional, Contract, Full or Part Time
LOCATION: Klamath Tribal Health & Family Services Youth & Family Guidance Center Klamath Falls, OR
BACKGROUND P.L. 101-630 Level

CONTRACTED LICENSED MENTAL HEALTH THERAPIST (LCSW, LMFT, LPC)

POSITION OBJECTIVES

The primary purpose of the Contracted Mental Health Therapist will be to provide evaluation and therapeutic services to eligible Tribal Members. Services may be provided in person and/or through telehealth. The Mental Health Therapist will make appropriate referrals and will be responsible for ensuring services are meeting the needs of clients and that services being provided are in accordance with professional practices and legal requirements. Routine duties shall include providing health care related services on a contracted basis to individuals eligible for services as referred by Klamath Tribal Health & Family Services.

MAJOR DUTIES AND RESPONSIBILITIES

1. Assess, develop, implement, and evaluate an effective and efficient treatment plan that will appropriately meet the needs of individual clients, utilizing program, agency and community resources.
2. Perform comprehensive diagnostic intake interviews and brief crisis assessments.
3. Utilize evidence based, practice based, and culturally appropriate interventions in individual and family therapy. Plan frequency, intensity, and duration of therapy.
4. Follow clinical guidelines for best practice, including level of care decisions and appropriate referrals. Collaborate and communicate with Youth and Family Guidance Center clinical supervisor to ensure good coordination of care.
5. Prepare clinical documentation and billing forms according to agency and departmental policies.
